

New Horizons Telecom is looking for a highly motivated, qualified individual to join our team for various Tower Technician Positions; we are hiring for all levels of experience from Tower Tech I to Journeyman. New Horizons specializes in delivering turnkey telecommunications infrastructure solutions for clients within all major public and private sectors and industries.

The basic duties associated with all Tower Technician Position(s) include:

- Climbing and working on communication towers, performing installations, replacements, and/or repairing antenna systems and equipment.
- Performing various tasks associated with all levels of tower maintenance.
- Complete and submit Daily Reports and Job Safety Analysis (JSA) before each day's work.
- Utilize basic use and care of hand tools and mechanical equipment.
- Ability to identify and communicate hazards associated with tower climbing, construction equipment and working on or near energized lines and electrical equipment.
- Analyze problematic situations and implement an appropriate course of action.
- Follow instructions accurately and complete tasks as assigned.
- Perform job duties in all weather conditions.

Minimum requirements:

- High school diploma or equivalent and 3+ years of experience climbing and working on towers.
- A self-starter who's highly organized, detail-oriented, and can work without direct supervision.
- Possess a valid driver's license (CDL preferred), ability to pass the Motor Vehicle Records check, drug screening and a background check.
- Field experience with Anritsu Site Master, PIM test equipment, and antenna alignment tools.
- Climb structures of 100 feet or more with a 50 lb. load.
- Capable of replacing and maintaining tower and RF components, Coax, connectors, antennas, TMA's, lighting systems, and structural members.
- Effective communication skills, both written and verbal.
- Able to stack self-support towers, monopoles, install waveguide, antennas and microwave dishes.
- Experience completing "closeout" packages
- Maintain a consistent level of excellence in job performance and work ethic.
- Proficient in Microsoft Suite, Outlook, Teams, Word, Excel, etc.
- Travel for extended periods up to and including nights, weekends and holidays.

All applicants must be able to pass an alcohol and drug screening test. Salaries are based on experience and an excellent benefits package is available to qualified employees. If you feel you are a qualified candidate for this position, please email your cover letter and resume to jobs@nhtiusa.com.
