

Job Title: Tower Technician
Job Type: Full Time

About Us

Headquartered in Palmer, Alaska, New Horizons is a trusted and tested telecommunications contractor offering turnkey infrastructure solutions. We deliver protected, cutting-edge networks in some of the world's most challenging and remote locations, providing in-house engineering and installation services for wireless, microwave, Satcom, fiber optic and alternative energy projects. From mountaintop tower construction to urban electrical and structured cabling installations and the networking components in between, we have been entrusted with the design, implementation and management of network infrastructure across the state and worldwide. At New Horizons we are proud to provide integral solutions from the feasibility stage through to implementation.

Why Join our team?

New Horizons is the place for you if you want a dynamic and rewarding work environment with room for career advancement and growth. Apply now and become a part of our dedicated team driving innovation in the telecommunications industry.
