

Job Title: Journeyman Electrician
Job Type: Regular- Full Time

About Us

Headquartered in Palmer, Alaska, New Horizons is a trusted and tested telecommunications contractor offering turnkey infrastructure solutions. We deliver protected, cutting-edge networks in some of the world's most challenging and remote locations, providing in-house engineering and installation services for wireless, microwave, Satcom, fiber optic and alternative energy projects. From mountaintop tower construction to urban electrical and structured cabling installations and the networking components in between, we have been entrusted with the design, implementation and management of network infrastructure across the state and worldwide. At New Horizons we are proud to provide integral solutions from the feasibility stage through to implementation.

Why Join our team?

New Horizons is the place for you if you want a dynamic and rewarding work environment with ample room for career advancement and growth. Apply now and become a part of our dedicated team driving innovation in the telecommunications industry.

Job Summary

The primary function of the Journeyman Electrician is to support all construction disciplines to meet the company's goals, and has a strong background in commercial and industrial environments. As a Journeyman Electrician, you will be responsible for installing, maintaining, and repairing electrical systems, while adhering to all safety and code regulations.

Key Responsibilities

- Install, maintain, and repair electrical systems and equipment, including wiring, circuits, panels, and lighting.
- Read and interpret blueprints, technical diagrams, and electrical code specifications.
- Troubleshoot and diagnose electrical issues, providing effective solutions in a timely manner.
- Ensure all work is completed in compliance with local and national electrical codes.
- Collaborate with other team members and contractors to complete projects on time and within budget.
- Maintain a clean and organized work environment, ensuring tools and equipment are properly maintained.
- Provide excellent customer service and communicate clearly with clients regarding their electrical needs and solutions.

Qualifications

- Valid Certificate of Fitness for State of Alaska
- Strong knowledge of electrical systems, codes, and safety practices.

- Proficiency with hand tools, power tools, and diagnostic equipment.
- Excellent problem-solving skills and attention to detail.
- Ability to work independently and as part of a team.
- Strong communication and interpersonal skills.
- Must be able to pass drug test, background check and have valid drivers license.
- Must be willing to join IBEW Local 1547.

Benefits

- Excellent Medical, Dental, Vision, Legal, and Prescription Drug Plan
- Retirement (Pension and 401K)
- Competitive Compensation
- Paid Vacation and Holidays
- Challenging and Rewarding Work Environment with Career Development Opportunities

Salary

Pay is dependent on the union scale.
